Annual Notice of Child Find

Upon request, the South Carolina Public School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Evaluation Planning team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in schools within the school district. This Child Find obligation is also fulfilled by each school's posting of this information in a public location (website, school newsletter, school email letter) at least annually.

A school or district staff member who reasonably believes a child may be a child with a disability has a legal duty to refer the child, including a homeless child or a child advancing from grade to grade, to the school district in which the child is enrolled. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child or a child advancing from grade to grade, to the school or district in which the child is enrolled.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Clara Guerrero, Quest Leadership Academy Coordinator of Special Education Services at 864-277-7575, or by mail at Quest Leadership Academy 29 Ridgeway Drive Greenville South Carolina 29605 or by contacting Laura Simmons, Special Education Services Coordinator, at 803-603-9721 or by writing her at 3710 Forest Dr., Ste. 201, Columbia, SC, 29204

For parents with children who are not currently enrolled in a school within the South Carolina Public Charter School District who reasonably believe a child is a child with a disability may also refer the child, including a homeless child or a child advancing from grade to grade, to the child's district of residence. The contact information for the districts may be found at: <http://ed.sc.gov/schools/>.

Public Dissemination:

- School website; www.questleadershipacademy.org
- Annually through registration packets
- Various locations throughout the school
